THE SMALLWOOD'S DIFFERENCE

YOUR VISION YOUR BUDGET YOUR TIME OUR EXPERIENCE YOUR SATISFACTION

Inspired by yachting's timeless spirit of adventure, exploration, and elegant enjoyment, Smallwood's Yachtwear offers a complete array of professional apparel appropriate for all occasions. Since 1981, our family-owned operation has continued to evolve with the global yachting industry with designs, styles, and technical features that deliver the latest in modern performance as well as appearance. Our latest collection is no exception - with several new fabrics and new colors that coordinate with each other for even more variety and selection. Of course, the Smallwood's commitment to quality, value, and service remains unchanged, and we are proud to serve the entire yachting community with the excellence it deserves.

A contemporary choice that matches the color schemes of many of today's newest vessels, Light Grey offers a crisp look without being dated or stuffy. The neutral shade matches with nearly all other colors, is easy to keep clean, and reflects heat to keep crew members comfortable. Pair with darker or vibrant colors for more contrast, or match with white and lighter hues for a classic aesthetic.

BLACK

A great look on every and any crew member, Black is an excellent base color for customizing crew wear as it pairs flawlessly with all other colors. Our selections in black are specially designed to be fade-resistant so they maintain their dark color even after repeated use.

NAVY

Some classics never go out of style, and with good reason. Smallwood's Navy apparel is a deep marine hue that reflects the richness of the yachting tradition and coordinates easily to other classics like white, or new trends like Stone or Silver.

Special thanks to the amazing crew on the beautiful charter yacht LADY JJ and to the staff of Pier 66 for accommodating the Smallwood's Team for our photo shoot.

STONE

A step ahead of khaki, Stone is a lighter neutral that offers a cleaner, more updated appearance than darker beiges and browns. The brighter tone also allows stone to pair with a greater variety of other colors, giving unlimited options.

HORIZON

Horizon is a poly-lycra microfiber blend that feels comfortably soft and light on skin, offers stretch for full range of movement, UPF 50 solar protection, and built-in water and stain resistance.

PACIFIC

Ideal for active tasks, Pacific is a 4-way stretch performance fabric that is moisture-wicking, quick-dry, SPF 50-rated, and has excellent colorfastness against sun, seawater, and even chlorine.

RIPSTOP

A dobby-matte finish with a woven-checked texture brings tear-resistant durability and strength. Sun protection and liquid and dirt repellent technology make this fabric excellent for off-charter and everyday uniform roles.

VENTURA

Buttery soft and wrinkle resistant, this micro-poly fabric is an easy-care staple for any crew wardrobe.

Our fabrics follow sustainability protocols.

UNIVERSAL

Made from 100% recycled fibers, this eco-friendly, stretch fabric also offers UPF 50 UV protection, spill and stain resistance, light weight, soft touch, low-wrinkle, and all-weather comfort.
